Sir:

PETITION REQUESTING WITHDRAWAL OF THE HOLDING OF ABANDONMENT

The United States Patent and Trademark Office (USPTO) issued a Notice of Abandonment for the above-identified patent application on June 18, 2008. Applicants respectfully submit that the Notice of Abandonment was issued in error and hereby requests that the holding of abandonment be withdrawn.

The Notice of Abandonment indicates that the instant application was held abandoned for failure to respond to an outstanding Office Action mailed on December 11, 2007. However, Applicants filed a timely Response to the Office Action along with a one month time extension on April 11, 2008 with a Certificate of Facsimile Transmission in accordance with 37 C.F.R. §1.8 and §1.6. Applicants enclose a copy of the timely-filed Response. Applicants' records further indicate that the above-mentioned timely-filed Response was received in the USPTO on

April 11, 2008. In particular, Applicants enclose a return receipt facsimile transmission from the USPTO identifying receipt of the Response on April 11, 2008.

The facsimile cover sheet of the enclosed Response and the corresponding USPTO return receipt correctly identified the 1) Applicant, 2) Filing Date, 3) Title, 4) Application Serial No. and 5) Client/Attorney Docket Number of the instant application.

Applicants' attorney and the undersign below attests to the transmission of the enclosed Response on April 11, 2008 to the USPTO. In support of this statement, a copy of the sending facsimile unit's report confirming transmission of the Response is enclosed.

In light of Applicant's timely-filed Response to the Office Action on April 11, 2008, Applicants respectfully request that the Notice of Abandonment be withdrawn without a fee. If there are any fees, credits or overpayments associated with this matter, please charge them to our Deposit Account No. 03-1721.

Respectfully submitted,
